

***Benediction*** means “A Good Word” and is a blessing given at the end of a Christian worship service. Convergence Campers created benedictions on themes that touched on the convergence of faith and science. Most of the liturgy prepared is based on the theme of “Living Water.” If you are preparing a worship service or devotional on this theme, suggested scriptures include: John 4:1-16, Jeremiah 2:13, and Genesis 1: 1-10.

---

Let the Waters of life flow through you, your day, your week, and your life so that you may proclaim God's message. Amen.

*By Adam Morgan*

God, Help us to remember that we need your living water to nourish our soul. Guide us as we go out into the world with joy, love, and your water within us; to share what we have learned through you today. In your name we pray, Amen.

*By Miranda Lattimer*

As we leave today, and walk out onto the world, we will have every potential for impact. Every single one of us can make a difference in the world. So as you act upon this, be aware of God, watching you, and supporting you, just like Jesus was, when he was changing the world. Amen.

*By Dean Tennant*

All: Lord, thank you for the living water that gives us everlasting life so we won't perish but live forever by your side. In Jesus name, Amen.

*By Seth Johnson*

Go now in peace! We have all been blessed with the living water of our God, and we can start anew. The Lord will aid us in our goodness, teaching us to live without the burden of sin. He is with you!

*By Olivia Redman*

Behold, come and stand before the Lord!  
Let us praise and sing his glory to the heavens!  
Come put your faith in God's holy name!  
Let the waters around us heal the wounded,  
and let us rejoice in the Father, Son, and Holy Spirit.

*By Ella Adams*

Go forth and remember these words as you go throughout your week.

*By Faith Goalder*

Now go forth, and let the living water fill you, and show others who are also led astray by the temptations that plague us, how the living water can complete us. Amen.

*By Breanna Wimbush*

Dear Lord, as we drink your water and pray your name, stay with us this week as we head out into your world to spread your love and word. Amen.

*By Sophie Rounds*

As we walk out into the world today, let us remember that we are a part of God's creation, a plan that was intricately developed by Him. We, as Christians, need to respect and care for God's works, as He cares for us. Go and remember how His living water quenches our spiritual thirst. Go and care for His land as are merely living on it. Go in peace. Amen.

*By Eve Ingram*

Now, as we have been baptized in the living water, go forth in the name of our holy lord, Jesus Christ.

*By Jacob Lohr*

Go now, and let us not focus on material things, for they will never fully satisfy us, but on the strength of God's love, which will never fail us. Amen.

*By Michael Sams*

Praise be to the Lord! For all of God's perfect Earth is his, so send us out as stewards of his creation to go out and preserve, serve, and love. Let us indulge in our lives with his living water.

*By Melanie Fleischer*

And now, this unquenchable water you have received today, may you carry it throughout this week and forevermore. In the name of the Father, Son, and Holy Spirit, God bless you and your loved ones. AMEN.

*By Nathan Nambiar*
