

### *Stewardship Prayer*

---

God provides all our needs according to his goodness. We thank Jesus for his offering by him sacrificing his life, the ultimate price, our thanksgiving is brought to you in this holy church. Amen. (Andrew M.)

God our creator, the maker of this beautiful earth and everything that inhabits it, we give back to you what is yours. We thank you for blessing us with that gifts and to show our gratitude we offer it unto you and your work. Use this offering to fulfill your plans, to sustain the world we are in and keep creation as it should be so that we may be able to see you through it. Amen. (Urenna O.)

Bountiful God, We thank you for this great offering. We understand and respect that You alone have power and control over all creation, and it is You that has provided these gifts. Help us comprehend that these offerings were brought to us by Your creation. Our food, money, clothing-- all formed from the beautiful world You gave us. Amen. (Nathan N.)
